

No Taboo

Sandra

It's late at night
You won't sleep
You lie awake and think
About him and his blue eyes
You feel the burning desire

Imagine this - you are at home
On dim light in your room
You wan't him and he wants you
So what you gonna do?

I don't know what is wrong
I don't know what is right
But if your love is true
There's no taboo

(Girl understand)
I don't know what is wrong
(Girl I need you)
I don't know what is right
(Girl I love you)
But if your love is true
There's no taboo

Close your eyes -
How does it feel?
Can you be sure when you'll give in
If you do - it's passion
L'amour, toujours de l'amour

I don't know what is wrong
(Girl I need you)
I don't know what is right
(Girl I love you)
But if your love is true
There's no taboo

Shut the shades and here you go
On dim light in your room
You wan't him and he wants you
You don't know what to do

I don't know what is wrong
(Girl I wan't you)
I don't know what is right
(Girl I need you)
But if your love is true
There's no taboo

(Girl understand)
I don't know what is wrong
(Girl I need you)
I don't know what is right
(Girl I love you)
But if your love is true
There's no taboo
