

Once Upon a Time

Sandra

Once upon a time I woke up with a feeling
As if I were still dreaming
As though I were in a fairytale
The whole history reads like a dream
Everything I believed in had that meaning
Which was just the feeling of a dream
I must reactivate my whole life
Where has all my freedom gone - where has all my freedom gone
"once upon a time"
I had to cross the line
My reality was the dream of my life
That day...

Once upon a time
I had to cross the line
My reality was the dream of my life
The daydream was real
Nothing to conceal
Once upon a time
I had to change my mind
To take off these rose-coloured glasses of mine
The dream was not true
Cause I was in love with you

I had to realize that now is the time for a different time
I have to reactivate my whole life
Even when my intimacy will be bleeding for the rest of my life
But I have to reactivate
My only love... my only love... my only love...
My only love... my only love
And to realize that I have...

Once upon a time
I had to cross the line
My reality was the dream of my life
The daydream was real
Nothing to conceal
Once upon a time
I had to change my mind
To take off these rose-coloured glasses of mine
The dream was not true
'cause I was in love with you...
