

Sleep

Sandra

I know it's late
I shouldn't call at this hour
but it's my fate
I need lips to devour

my nervous system is shot alright
I won't sleep unless you
sleep with me tonight
deep with me tonight

I know it's late
we've known each other a while
I can't wait
to see your twisted smile

kindred spirit of candle light
I won't sleep unless you
sleep with me tonight
deep with me tonight

and my thought see my saint
I'm so tired but I faint
sleep with me tonight
(sleep with me tonight)
sleep with me tonight
(sleep with me tonight)

sleep with me tonight
deep with me tonight
(sleep with me tonight)
sleep with me tonight
deep with me tonight
(sleep with me tonight)...
