Stop For A Minute

I will try I will try not to lose my own If you cry That secret down Open up your eyes again Even you can try Don't you think you toil in vain What have you come to be, to be now? Stop for a minute You better change your heart in time Stop for a minute You can believe that part of mine I'll be protectin you From what you run into If you will hold on Stop for a minute I rely I rely on my chance to know You and I Could feel as once Open up and start again An' take a look around Don't you see what I have meant What have you come to be, to be now? Stop for a Minute...

And what is left to you Where are you goin' to That sorrow in your life /in your life/ What did you come to be, come to be now? Stop for a minute...
