

The Journey

Sandra

(A: Cold Out Here)

Darkness forever
Neverending night
Flame in the ashes
Water turns to ice
Oh it's cold out here
It's cold out here

(B: I'm Alive)

Wake up to the break of day
Wake up from a dream
World outside is dark and grey
No one in the streets
Can you hear me
I'm alive

Don't know where you've been last night
Don't know where to go
I hope that you're alright
Walk an endless road
Can you see me
I'm alive
Can you hear me
I'm alive

(C: Paintings)

Paintings in yellow
Sun in the night
Dream of life
Will this dream come true some day
Paintings in yellow
Believe me when i say
Don't know how
But i try to make you see

(D: Come Alive)

Dreamin the impossible
Cryin for the moon
I keep the dream alive
I know you'll learn this too
Can you see me
Come alive
Can you hear me
Come alive

(E: The End)

Darkness is over
Light is in your eyes
I hear your laughter
Lying by your side
Won't be cold in here
Won't be cold in here
