Sanna Nielsen

Silent, I can't wait here silent  
Working up a storm inside my head  
Nothing, I just stood for nothing  
So I fell for everything you said

Hear the rumble  
Hear my voice  
Silent, I can't wait here silent  
Gotta make a change and make some noise

Undo my sad  
Undo what hurt so bad  
Undo my pain  
Gonna get out, through the rain  
I know that I am over you  
At last I know what I should do  
Undo my sad

Trouble, baby I'm in trouble  
Every time I look into your eyes  
Save me, oh, I'm gonna save me  
Faraway from all the crazy lies

Hear the rumble  
Hear my voice

Undo my sad  
Undo what hurt so bad  
Undo my pain  
Gonna get out, through the rain  
I know that I am over you  
At last I know what I should do  
Undo my sad

Undo my sad  
Undo what hurt so bad  
Undo my pain  
Gonna get out, through the rain  
I know that I am over you  
At last I know what I should do  
Undo my sad

I said
