

We Are The Ones To Fall

Santa Cruz

Eh-oh eh-oh we are the ones to fall
We are the ones to fall!

We are the kings of a night time remedy
The anti-heroes, hypocrites arch enemy
We are the ones to fall for our fantasy
The most wanted outlaw for felony
We are the ones to fall

Eh-oh eh-oh we are the ones to fall
We are the ones to fall
Eh-oh eh-oh we are the ones to fall
We are the ones to fall
To fall ooh
Eh-oh eh-oh we are the ones to fall
We are the ones to fall

We've had enough of this motherfuckin' comedy
Let's turn the page and spread some anarchy
Maybe we are the next soon to be tragedy
Rather go down than fall to apathy
We are the ones to Fall!

Eh-oh eh-oh we are the ones to fall
We are the ones to fall
Eh-oh eh-oh we are the ones to fall
We are the ones to fall
To fall ooh
Eh-oh eh-oh we are the ones to fall
We are the ones to fall
Eh-oh eh-oh we are the ones to fall

I think I told you I ain't going nowhere
You think your mischiefs gonna get you around
Well think again bitch, 'cause I'mma take you down
I'mma steal your crown
I'll show who runs this motherfuckin' town
Fuck!

We are the ones to fall
We are the ones to crawl
When everything else is fading
We are the ones to change
Everything on our way
When the world is not waiting

Eh-oh eh-oh we are the ones to fall
We are the ones to fall
Eh-oh eh-oh we are the ones to fall
We are the ones to fall
To fall ooh
We are the ones to fall

We are the ones to fall
Eh-oh eh-oh we are the ones to fall
We are the ones to fall
