

Are You Scared?

Santa Hates You

when your voice breaks up
but you want to scream
when you want to wake up
but it's not a dream
are you scared?
are you scared?

when you want to run
but your legs are numb
and the taste death
dances on your tongue
are you scared?
are you scared?

are you afraid of the dark
are you afraid of the light
are you afraid of death
are you afraid of life

this is the monster beat
stop hiding under your sheets
this is the monster beat
the darkness is more afraid of you
than you are of it!

fear is waiting at your door
will you take the bait?

when your voice breaks up
but you want to scream
when you want to wake up
but it's not a dream
are you scared?
are you scared?

when you want to run
but your legs are numb
and the taste death
dances on your tongue
are you scared?
are you scared?

are you afraid of the dark
are you afraid of the light
are you afraid of death
are you afraid of life

this is the monster beat
stop hiding under your sheets
this is the monster beat
the darkness is more afraid of you
than you are of it!

who is staring at you
from the other side of the mirror?
who is waiting
in your little chamber of horrors?
