Changes

Santana

Don't you feel a change a-coming
From another side of time
Breaking down the walls of silence
Lifting shadows from your mind
Placing back the missing mirrors
That before you couldn't find
Filling mysteries of emptiness
That yesterday left behind.

And we all know it's better Yesterday has passed Now let's all start the living For the one that's going to last

Don't you feel the day is coming
That will stay and remain
When your children see
The answers
That you saw the same
When the clouds have all gone
There will be no more rain
And all the beauty of all things
Is uncovered again.

Don't you feel the day is coming And it won't be too soon When the people of the world Can all live in one room When we shake off the ancient Chains of our tomb We will all be born again Of the eternal womb.
