

# Choose

Santana

Tell me  
What you gonna do?  
Where you gonna go?  
You're runnin' out of time

Hey baby  
What's it gonna be?  
Are you gonna stay?  
Do you wanna be free?

Well, well, well, well, well, well  
Well, well, well, well

Choose  
What you gonna do  
And choose  
Do what you gotta do  
Choose  
What's you gonna be  
Choose  
Do what you gotta do

New day  
The time is right  
You make the move  
You do what you gotta do

You're free  
If you wanna be  
You'll see  
Ain't nothing gonna stop you

Oh oh oh oh oh ho ho  
Hey hey oh oh

Choose  
What you gonna do  
Choose  
Do what you gotta do  
Choose  
What's you gonna be  
Choose  
I believe to my soul that you gotta be free

Hoo hoo hey hey eh  
Aw!

New day  
Time is right  
You make the move  
Do what you gotta do

You're free  
If you wanna be  
You'll see  
Ain't nothin' gonna stop you

Ah ha oh oh, choose

Choose

What you gonna do

And choose

Do what you gotta do

Choose

What's you gonna be

Choose

Do what you gotta do
