

# Day of Celebration

Santana

Freedom, freedom  
Get up stand up, let's celebrate  
Freedom, talking about freedom  
This is the time for redemption  
Freedom, don't you want freedom for everybody  
This is the time for liberation  
Freedom, don't you want freedom for your children

This is the day of celebration  
Let's celebrate, I said let's celebrate, we're gonna celebrate, celebrate, o  
h yeah  
Do You Like The Way

Versions

Watch the master plan, the pastures span  
Through the streets, move the sheep  
Flipped the beat, like the shepherd  
It's a new day, my crew stay forever striving  
Give thanks cause we alive, and been through the gutter  
Now we see the horizon  
It's clear to me now

Used to be confused, took a lot of years to see how  
Now, we moving planets  
Take the average mind and expand it  
You take for granted like we're always gonna be disadvantaged  
But soon come, it soon come, ya soon done  
Ya start run, you stumble, we catch one

In the rhythm, Santana lick the guits with precision  
Not accidental, intentional conscious decision  
To Zion, we're marching through with African Mayans  
Conquering Babylon with the heart of a lion  
And the walls of Jericho come a-tumbling down  
Tell me, how long has it been  
Is everything, everything alright my friend

You see, time is passing, people asking how come none of this ain't lasting  
Money will make people deal like they don't even have to feel  
But no, it ain't real, it ain't real  
Oh, do you like the way that it's going down  
Do you like the way that it's going down  
Oh, do you like the way  
How long, how long will we wait, to sit down and communicate  
See, everything is relative, if you want to get then give  
Can't we all just build and live, can't we, can't we?

Do you like the way that it's going down  
Do you like the way that it's going down  
Do you like the way that it's going down  
Do you like the way that it's going down
