Deeper, Dig Deeper

Deeper, deeper Dig, dig, deeper, deeper

Deeper, deeper Dig, dig, deeper, deeper

Get a little closer You don't have to be afraid You have to trust your inner pilot Don't let it drift away

Dig a little deeper You gotta get it in your soul Reach out with your spirit And let your feelings show

Dig, dig, deeper, deeper Deeper, deeper

You can't deny the feeling That touches you inside When you're tired and lonely You don't have to lose your pride

Take the time to listen Stay a little while Got a song to sing for you Let the music get you higher, higher

Deeper, deeper

Deeper, deeper Deeper, dig, dig, deeper

Deeper Deeper Deeper
