Everything's Coming Our Way

Open your eyes, Let it begin with me. Brand new day, Fresh new way to live, The mornin' is callin' Walk with me into the sun.

Everything is comin' our way Everything is comin' our way. Everything is comin' our way.

Here's my hand Reaching out to you Take it, darlin' And lead me on, yeah.

Everything is comin' our way Everything is comin' our way Everything is comin' our way. Ah.

Everything is comin' our way Everything is comin' our way Everything is comin' our way. Ah.

I can feel it in my bones No man stands alone. Sister, Brother, From all the same seed

Everything is comin' our way Everything is comin' our way Everything is comin' our way. Santana
