

## Searchin'

Santana

Searchin', I'm always searchin'  
Searchin' for my beloved  
I'm gonna keep on searchin' 'cause  
I need your love, yea  
Listen, my heart is callin'  
Longing to have you near me  
Please believe me what I'm sayin' is true  
Every morning I wake up to you  
Searchin', searchin', searchin', searchin'  
Every night my thoughts return to calling you  
Lover, don't keep me waiting  
You must hear what I'm saying  
I'm gonna keep on searchin' till I win your love  
I can almost hear her gentle voice  
Searchin', searchin', searchin', searchin'  
I can almost hear her smile of light  
Searchin', searchin', searchin', searchin'  
I can almost feel the love reach out to me
