

The Sensitive Kind

Santana

Don't take her for granted,
She had a hard time
Don't misunderstand her
Or play with her mind
Treat her so gently,
It will pay you in time
You've gotta know
She's the sensitive kind

Tell her you love her each and every night
You will discover she will treat you right
If you believe, I know you will find
There ain't nothin' like the sensitive kind

She gets so lonely waitin' for you
You are the only thing to help her through
Don't take her for granted
She has a hard time
You got to know she's the sensitive kind
You got to know she's the sensitive kind
