

Try a Little Harder

Santana

Try a little harder now
Try a little harder now
Try a little harder now
Try a little harder now

No one said it would be easy
Doin' whatever you do
You just might have to suffer
But keep on movin' right through
You got to

Try a little harder now
Try a little harder now
Try a little harder now
Try a little harder now

Sometimes you have to change your tune
To get where you want to be
But don't you let that satisfy you
You can have all you can see
If you just

Try a little harder now
Try a little harder now
Try a little harder now
Try a little harder now

Come on, everybody

Try a little harder now
Try a little harder now
Try a little harder now
...
