

## L.E.S. Artistes

Santigold

What I'm searching for  
To tell it straight, I'm trying to build a wall  
Walking by myself  
Down avenues that reek of time to kill

If you see me, keep going  
Be a pass-by waver  
Build me up, bring me down  
Just leave me out, you name-dropper  
Stop trying to catch my eye  
I see you good, you forced faker  
Just make it easy  
You're my enemy, you fast-talker

I can say I'll hope it will be worth what I give up  
If I could stand up mean for the things that I believe  
I can say I'll hope it will be worth what I give up  
If I could stand up mean for the things that I believe

What am I here for?  
I left my home to disappear is all  
I'm here for myself  
Not to know you, I don't need no one else

Fit in so good the hope is  
That you cannot see me later  
You don't know me  
I am an introvert, an excavator  
I'm duckin' out for now  
A face in dodgy elevators  
Creep up and suddenly  
I found myself an innovator

I can say I'll hope it will be worth what I give up  
If I could stand up mean for the things that I believe  
I can say I'll hope it will be worth what I give up  
If I could stand up mean for the things that I believe

Change, change, change, change  
I want to get up out of my skin  
Tell you what, if I can shake it  
I'm-a make this, something worth dreaming of

I can say I'll hope it will be worth what I give up  
If I could stand up mean for the things that I believe  
I can say I'll hope it will be worth what I give up  
If I could stand up mean for the things that I believe

I can say I'll hope it will be worth what I give up  
If I could stand up mean for the things that I believe  
I can say I'll hope it will be worth what I give up  
If I could stand up mean for the things that I believe

I can say I'll hope it will be worth what I give up  
If I could stand up mean for the things that I believe  
I can say I'll hope it will be worth what I give up  
If I could stand up mean for the things that I believe

I can say I'll hope it will be worth what I give up  
If I could stand up mean for the things that I believe  
I can say I'll hope it will be worth what I give up  
If I could stand up mean for the things that I believe
