## Say Aha

Louder than they Louder than they

Santigold

Louder than they Allow, allow Louder than they Louder than they Louder than they Allow, allow Say aha, aha Say aha, aha At night it's eating up your head, Backed against the wall Got you in a tight place Though you're not alone at all Been fighting, trying to place a name on what it's called Make you feel like a losing streak 'Cause you know, but you're not involved Louder than they Louder than they Louder than they Allow, allow Louder than they Louder than they Louder than they Allow, allow Say aha, aha Say aha, aha It's all right, 'cause everything they say Doesn't make no sense It's that time I'm picking up my ass up from off the fence Gonna blow a hole in this charade It's self defense I'm a army, got a whole brigade in my two sense Louder than they Louder than they Louder than they Allow, allow Louder than they Louder than they Louder than they Allow, allow Say aha, aha Say aha, aha Send in your torpedoes for all they know Make a show, shake them up before you blow

'Cause they don't want no cure No, you'd better find a way Their aim's not pure Louder than they Louder than they Allow, allow Louder than they Louder than they Louder than they Allow, allow Say aha, aha Say aha, aha
