

Shove It

Santigold

Brooklyn we go hard
We on the look for the advantage, we work hard
And if we seem to rough it up a bit
We broke but we rich at heart
Pull ourselves up now we won't choke
It's our time, put the lights on us

War tactics, they make me sick
Reel your heart in, run away with it
Smile in your face, undermine your back
Got guns for the strength they lack
So if you know another way
You can't look the other way
You know another way,
Tell them so right to their face

We think you're a joke
Shove your hope where it don't shine
We think you're a joke
Shove your hope where it don't shine
We think you're a joke
Shove your hope where it don't shine
We think you're a joke
Shove your hope where it don't shine

I pay for what's called
Eccentricity and my wish to evolve
I hear them all say
That I got heart
but not everything that it takes

Taint my mind but not my soul
Tell you I got fire
I won't sell it for no payroll
Let 'em hold me down
I know if I know another way
I can't look the other way
I know another way
I'll tell them so right to their face

We think you're a joke
Shove your hope where it don't shine
We think you're a joke
Shove your hope where it don't shine
We think you're a joke
Shove your hope where it don't shine
We think you're a joke
Shove your hope where it don't shine

Entirely, totally, bring it all together, I want everything.
If it's in, this feels like hot gossip...doesn't mean that we can be poor folks waiting on a trickle with your hands out.
I got a life that you can call it luck
Because it wasn't due to you don't mean I ain't paying dues, you stupid fuck
.
I'm ...things that you can't.
Just know I'm doing something you ain't simple and plain.

We think you're a joke
Shove your hope where it don't shine
We think you're a joke
Shove your hope where it don't shine
We think you're a joke
Shove your hope where it don't shine
We think you're a joke
Shove your hope where it don't shine
