## **The Keepers**

I walk blind with smoke in my eyes It's like we don't know where we been That's it, boy, just state your case You're just as wrong as you were then One tough move throw your hands up Say I don't make no rules No one even knows I'm here Now its on you to man up You say no weight'll hang on what you say

We're the keepers While we sleep in America Our house is burning down Our house is burning We're the keepers While we sleep in America Our house is burning down Our house is burning Down, down it burns down Our house is burning down

Ask me why a dream gets you by But let it want, turns a dangerous thing Watch out for it, it snakes right past Then turns around and it sucks you in What happens when you get stuck Get to the bottom of the illusion that you're in From the roots now it's shook up Know that what ails without will do you in

We're the keepers While we sleep in America Our house is burning down Our house is burning We're the keepers While we sleep in America Our house is burning down Our house is burning Down, down it burns down Our house is burning down

And not a thing I've done Abates my fear And not a thing I've done Abates my fear And still although our hearts can't run We are gone We are gone On the heels of all we have done, know

We're the keepers While we sleep in America Our house is burning down Our house is burning We're the keepers While we sleep in America Our house is burning down
