

You'll Find a Way

Santigold

Go ahead, you know you want it
You'll have no other way
You just want to take us down
Go ahead, I'll be the one hit
If I can take you, boy,
It just might throw this town

Oh oh oh, you want to get it
You make us bleed, it'll prove there's life somewhere
And oh no, I want to yell it
But do we speak or are we just nodding our heads?

No way, not me
What you got, it's not for me
But you'll find a way
No way, not me
What you got, it's not for me

Don't reach too far
You will fall over
Don't be surprised what you discover
Don't fear your call
Can't pull us under
You better watch out, run for cover

Don't reach too far
You will fall over
Don't be surprised what you discover
Don't fear your call
Can't pull us under
You better watch out, run for cover

Go ahead, I'll be your junkie
I'll be deplete,
You can heap all rubbish here
Go ahead, now dump it on me
If I go quiet,
Will the itch go down with me?

Oh oh oh, you got to get it
Never mind that it was never there nowhere
But oh no, not for a minute
For now you'll make your bed and it will wait, I swear

No way, not me
What you got, it's not for me
But you'll find a way
No way, not me
What you got, it's not for me

Don't reach too far
You will fall over
Don't be surprised what you discover
Don't fear your call
Can't pull us under
You better watch out, run for cover

Don't reach too far
You will fall over
Don't be surprised what you discover
Don't fear your call
Can't pull us under
You better watch out, run for cover

Tell them that they'll get what they wanted, tell them
Tell them that they'll get what they wanted
'Til then...
Tell them that they'll get what they wanted, tell them
Tell them that they'll get what they wanted
'Til then...

Don't reach too far
You will fall over
Don't be surprised what you discover
Don't fear your call
Can't pull us under
You better watch out, run for cover

Don't reach too far
You will fall over
Don't be surprised what you discover
Don't fear your call
Can't pull us under
You better watch out, run for cover
