

# Say Goodbye

Saosin

You seem so disappointed within,  
this act of yours is just a sin.  
You know it's so easy to tell you, "abuse it."  
Don't tell me you're useless...  
They told me your happy now.

I can't keep holding you up.  
I'm overcome by the weight of the mud.  
Drying up around you.  
You know I'll never forget you.

I can't keep holding you up.  
Tell me if you ever stop.

I'll never forget you, oh no.  
I'll never forget you.

Say goodbye. It's all you wanted.  
Let's hope Hollywood cares  
I'll open the lens up so you all can  
Say goodbye. It's all you wanted.  
Let's hope somebody cares.  
You'll see that nobody's watching.

Tell me why you wanted to change.  
Tell me why you're so nervous to say  
what you're really thinking.  
The feeling of sinking is setting in.  
You used to be so much happier.

I can't keep holding you up.  
I'm overcome by the weight of the mud.  
Drying up around you.  
You know I'll never forget you.

I can't keep holding you up.  
Tell me if you ever stop.

I'll never forget you, oh no.  
I'll never forget you.

Say goodbye. It's all you wanted.  
Let's hope Hollywood cares  
I'll open the lens up so you all can  
Say goodbye. It's all you wanted.  
Let's hope somebody cares.  
You'll see that nobody's watching.

You can't turn away.  
Make up your face and get high.  
Make up your face and get high again.  
You can't turn away.  
Make up your face and get high.  
Make up your face and get high again.

'Cause when you sign your deal,  
you're as good as dead.

Say goodbye. It's all you wanted.  
Let's hope Hollywood cares  
I'll open the lens up so you all can  
Say goodbye. It's all you wanted.  
Let's hope somebody cares.  
You'll see that nobody's watching.
