

# I Choose You

Sara Bareilles

Let the bough break, let it come down crashing  
Let the sun fade out to a dark sky  
I can't say I'd even notice it was absent  
Cause I could live by the light in your eyes

I'll unfold before you  
What I've strung together  
The very first words  
Of a lifelong love letter

Tell the world that we finally got it all right  
I choose you  
I will become yours and you will become mine  
I choose you  
I choose you  
(Yeah)

There was a time when I would have believed them  
If they told me you could not come true  
Just love's illusion  
But then you found me and everything changed  
And I believe in something again

My whole heart  
Will be yours forever  
This is a beautiful start  
To a lifelong love letter

Tell the world that we finally got it all right  
I choose you  
I will become yours and you will become mine  
I choose you  
I choose you

We are not perfect  
We'll learn from our mistakes  
And as long as it takes  
I will prove my love to you

I am not scared of the elements  
I am under-prepared, but I am willing  
And even better  
I get to be the other half of you

Tell the world that we finally got it all right  
I choose you  
Yeah  
I will become yours and you will become mine  
I choose you  
I choose you  
I choose you
