

# Say You're Sorry

Sara Bareilles

Circus of silence down at our feet  
Paper cut tigers starting to bleed  
Hang from your tightrope above the mess  
Just say you're sorry, no more no less  
Words you won't use, you don't feel them like I do  
Show will be over soon

It's not the curtain closing causing us to call it a day  
I want to walk away too  
But I want you to say you are sorry  
I'm not the one who went and made a mistake  
I want to walk away too  
But I want you to say you are sorry

I used to believe that the storybook's true  
Now I don't need it, at least not with you  
So if you see him, the man 'neath the mask  
Tell him I'm leaving and not looking back  
Words are no use, you don't need them like I do  
Show will be over soon

It's not the curtain closing causing us to call it a day  
I want to walk away too  
But I want you to say you are sorry  
I'm not the one who went and made a mistake  
I want to walk away too  
But I want you to say you're sorry

I want the one word that you refuse to say to me  
You're so good at giving me responsibility  
I wash my hands clean and let you watch me as I go  
I'm sorry for you, just so you know

It's not the curtain closing causing us to call it a day  
I want to walk away too  
But I want you to say you are sorry  
I'm not the one who went and made a mistake  
I want to walk away too  
But I want you to say you're sorry
