No words
My tears won't make any room for 'em, oh
And it don't hurt
Like anything I've ever felt before

This is no broken heart No familiar scars This territory goes uncharted

Just me
In a room sunk down in a house in a town
And I don't breathe
Though I never meant to let it get away from me

Now I have too much to hold Everybody has to get their hands on gold And I want uncharted

Stuck under the ceiling
I made, I can't help the feeling I'm going down
Follow if you want, I won't just hang around
Like you'll show me where to go

I'm already out
Of foolproof ideas so don't ask me how
To get started
It's all uncharted

Each day
I'm countin' up the minutes 'til I get alone
'Cause I can't stay
In the middle of it all, it's nobody's fault

But I'm so low
Never knew so much I didn't know
Oh, everything is uncharted

I know I'm getting nowhere When I only sit and stare like I'm going down Follow if you want, I won't just hang around Like you'll show me where to go

I'm already out
Of foolproof ideas so don't ask me how
To get started
It's all uncharted

Jump start my kaleidoscope heart I love to watch the colors fade They may not make sense But they sure as hell made me

I won't go as a passenger, no
Waiting for the road to be laid
Though I may be going down
I'll take in flame over burning out

Compare Where you are to where you wanna be

And you'll get nowhere

I'm going down
Follow if you want, I won't just hang around
Like you'll show me where to go

I'm already out
Of foolproof ideas so don't ask me how
To get started

I'm going down
Follow if you want, I won't just hang around
Like you'll show me where to go

I'm already out
Of foolproof ideas so don't ask me how
To get started
It's all uncharted
