

# Compelled

Sara Groves

What a relief it is to know  
I'm a slave to Christ  
Of all the masters I have known  
I'm compelled to live this life  
Free for you

I'm on the other side of something  
I'm on the other side of something

I have a new hope that blows away  
The small hopes I knew before  
And at the end of the day I am yours  
And I am compelled

You've written on my very heart  
Where no man can legislate  
The law of your love has taken hold  
With your holiness and grace  
There's no mistake

I'm on the other side of something  
I'm coming out the other side, the other side

I have a new hope that blows away  
The small hopes I knew before  
And at the end of the day I am yours  
And I am compelled

I am drawn and driven, I am compelled  
You have written it, I am compelled  
You live in me  
And I can't help myself
