

# Help Me Be New

Sara Groves

God is doing a work in me  
He's walking through my rooms and halls  
Checking every corner  
Tearing down the unsafe walls  
And letting in the light  
And I am working hard  
To clean my house and set it straight  
Not let pride get in the way  
To catch an eternal vision of  
What I am to become

Will you help me be new  
Will you hold me to the promises  
That I have made  
Will you let me be new  
Forgive my old self, and my old mistakes

It seems easier  
Living out my life in Christ  
For those do not know it  
To hide the thorn stuck in my side  
And all my secret faults  
But you know me well  
And it's you I want the most to see  
And recognize the changes  
A word from you empowers me  
To press on for my goal

Will you help me be new  
Will you hold me to the promises  
That I have made  
Will you let me be new  
Forgive my old self, and my old mistakes

When I feel condemned to live my old life  
Remind me I've been given a new life in Christ

Will you help me be new  
Will you hold me to the promises  
That I have made  
Will you let me be new  
Forgive my old self, and my old mistakes

Will you  
You know me well
