

# It's Going To Be Alright

Sara Groves

It's going to be alright  
It's going to be alright

I can tell by your eyes that you're not getting any sleep  
And you try to rise above it, but feel you're sinking in too deep  
Oh, oh I believe, I believe that

It's going to be alright  
It's going to be alright

I believe you'll outlive this pain in your heart  
And you'll gain such a strength from what is tearing you apart  
Oh, oh I believe I believe that

It's going to be alright  
It's going to be alright

When some time has past us, and the story is retold  
It will mirror the strength and the courage in your soul  
Oh, oh, I believe I believe,

I believe  
I believe

I did not come here to offer you clichés  
I will not pretend to know of all your pain  
Just when you cannot, then I will hold out faith, for you

It's going to be alright  
It's going to be alright
