It's going to be alright
It's going to be alright

I can tell by your eyes that you're not getting any sleep And you try to rise above it, but feel you're sinking in too de ep

Oh, oh I believe, I believe that

It's going to be alright
It's going to be alright

I believe you'll outlive this pain in you heart And you'll gain such a strength from what is tearing you apart Oh, oh I believe I believe that

It's going to be alright
It's going to be alright

When some time has past us, and the story if retold It will mirror the strength and the courage in your soul Oh, oh, I believe I believe,

I believe I believe

I did not come here to offer you cliche's I will not pretend to know of all your pain Just when you cannot, then I will hold out faith, for you

It's going to be alright
It's going to be alright
