

It's True

Sara Groves

In your heart you know it's true
Though you hold no expectation
In the deepest part of you
There's an open hesitation

But it's true, kingdoms and crowns
A God who came down to find you
It's true angels on high
Sing through the night, Alleluia

Heard it told you, think it's odd
The whole thing fraught with complication
The play begins with Baby God
And all His blessed implications

But it's true, kingdoms and crowns
A God who came down to find you
It's true angels on high
Sing through the night, Alleluia, Alleluia, Alleluia

But it's true, kingdoms and crowns
A God who came down to find you
It's true angels on high
Sing through the night, Alleluia

But it's true, kingdoms and crowns
A God who came down to find you
It's true, oh, angels on high
Sing through the night, Alleluia

In your heart you know it's true
In the deepest part of you
It's true, it's true
