Joy Is In Our Hearts

Sara Groves

We were pressed on every side full of fear and troubled thoughts for good reason we carried heavy hearts

It is good to come together in our friendship to remember all the reasons hope is in our hearts

Hallelujah hallelujah Christ our joy and strength hallelujah hallelujah Christ our joy and strength

Now with patience in our suffering perseverance in our prayers with good reason this hope is in our hearts

Hallelujah hallelujah Christ our joy and strength hallelujah hallelujah Christ our joy and strength

Oh we saw the face of Angels many good things well secured for good reason this joy is in our hearts

Hallelujah hallelujah Christ our joy and strength hallelujah hallelujah Christ our joy and strength

Hallelujah hallelujah Christ our joy and strength hallelujah hallelujah Christ our joy and strength

For good reason joy is in our hearts
