

# Morning Will Be On The Other Side

Sara Groves

Little girl tie on your angel wings  
and fly fly  
fly fly fly  
fly far away until you fall asleep  
oh fly fly fly fly fly  
fly into the place you see  
the sun is setting  
fly into the land of ever after  
endings  
fly until you come upon love I am send-ing  
the morning will be on the other side  
so fly  
little boy climb on your pillow steed  
and ride  
ride ride ride ride  
ride far away until you fall asleep  
oh ride ride ride ride ride  
ride into the place you see the sun is setting  
right into the land of ever after endings  
ride until you come upon love I am sending  
the morning will be on the other side  
so ride
