

# You Are Wonderful

Sara Groves

I have been talking to you since I was a little girl  
So many sweet memories of giving you my world

You are wonderful  
A friend to the weary  
You have been so faithful  
Your goodness follows me  
You are beautiful your love never ending

I was just wondering today how over all these years  
You've carried so many cares  
Calmed so many fear

You are wonderful  
A friend to the weary  
You have been so faithful  
Your goodness follows me  
You are beautiful your love never ending
