

# All Of This Past

Sarah Bettens

Here I go again  
Slipping further away  
Letting go again  
Of what keeps me in place  
I like it here  
But it scares me to death  
There is nothing here

Hmmmm mm mmmmm mmmmm  
Hmmmm mm mmmmm  
Hmmmm mm mmmmm mmmmm  
Hmmmm mm mmmmm

The light is beautiful  
But I'm darker than life  
And you are wonderful  
But this moment is mine

All of this dust  
All of this past  
All of this over and gone and never coming back  
All of this forgotten  
Not by me

I find comfort here  
'Cause I know what is lost  
Hope is always fear  
For the pain that we cost  
And I have searched for the reason to go on  
And I've tried and I've tried  
But its taken me so long  
I might be better off  
Closing my eyes  
And god will come looking for me in time

All of this dust  
All of this past  
All of this over and gone and never coming back  
All of this forgotten  
Not by me

All of this dust  
All of this past  
All of this over and gone and never coming back  
All of this forgotten  
Not by me

I can see myself  
I look peaceful and pale  
But underneath I can barely inhale  
I can hear myself singing the song  
Over and over until it belongs  
To me

Hmmmm mm mmmmm mmmmm  
Hmmmm mm mmmmm  
Hmmmm mm mmmmm mmmmm

Hmm mm mmmmm
