

Grey

Sarah Bettens

This is what I've learned so far
Everything is grey
Few things are forever
And it hurts when good things fade
You can't be my everything
And I am not half you
But you can make it all worth while
And that's why I love you

When you look at me
Am I incomplete
Am I missing something everybody else
Can clearly see
When you look at me

I have tasted happiness
The innocence of joy
Do we pay a price for every moment we enjoy
I can make you promises
But even I can't say
If everything I feel for you
Will never go away

When you look at me
Am I incomplete
Am I missing something everybody else
Can clearly see
When you look at me

Will you be my everything
Maybe just this time
We can really think that I am yours
And you are mine
I am yours and you are mine

When you look at me
Am I incomplete
Am I missing something everybody else
Can clearly see
When you look at me

When you look at me
