

# Grey

Sarah Bettens

This is what I've learned so far  
Everything is grey  
Few things are forever  
And it hurts when good things fade  
You can't be my everything  
And I am not half you  
But you can make it all worth while  
And that's why I love you

When you look at me  
Am I incomplete  
Am I missing something everybody else  
Can clearly see  
When you look at me

I have tasted happiness  
The innocence of joy  
Do we pay a price for every moment we enjoy  
I can make you promises  
But even I can't say  
If everything I feel for you  
Will never go away

When you look at me  
Am I incomplete  
Am I missing something everybody else  
Can clearly see  
When you look at me

Will you be my everything  
Maybe just this time  
We can really think that I am yours  
And you are mine  
I am yours and you are mine

When you look at me  
Am I incomplete  
Am I missing something everybody else  
Can clearly see  
When you look at me

When you look at me
