

Just Another Day

Sarah Bettens

It doesn't matter what you say
Your fancy words are coming much too late
And you've been known
To sweep me off my feet
And you eloquently make up for the void you leave

It's just another day
Nothing's really changed
I can see it when you look at me
I know you don't believe in me
No you don't believe
No you don't believe in me

I let you make me feel alone
You made me think I didn't need much more
But I went along
For something real and warm
And I hate how I sat by and watched it go this long

It's just another day
Nothing's really changed
I can see it when you look at me
I know you don't believe in me
No you don't believe
No you don't believe in me

And I wish I never had to think of anything about you
But the years are there and I'll always be someone who said I l
oved you

It's just another day
Nothing's really changed
I can see it when you look at me
You never rest your eyes on me
I know you don't believe in me
No you don't believe
No you don't believe in me

Maybe this is all I need
To tell you I was never crazy about the girl you made me be
