

I Never Knew

Sarah Blasko

It's not enough, it's not enough for both of us
This love I feel won't reach into your heart
Though it hurts inside to find my pride so altered
I let you go to find your way alone

I never knew it would hurt like this
To let someone go against my wishes
All I can do is hope and pray
That you'll find your way

It's not enough, it's not enough for now
When I open up it leaves me in the cold
Though it hurts inside I'll summon all my pride
To let you go let you be alone

I never knew it would hurt like this
To let someone go against my wishes
All I can do is hope and pray
That you'll find your way

I never knew it would hurt like this
To let someone go against my wishes
All I can do is hope and pray
That you'll find your way

I never knew it would hurt like this
To let someone go against my wishes
All I can do is hope and pray
That you'll find your way
