

# Lost & Defeated

Sarah Blasko

I'm finally mad  
Like a rush of blood to my weary head  
No longer sad  
The emotional tide has turned and I see red

Heard you clap your hands  
Cause i'm joyfully and most bitter mad  
I hope your heart is glad  
Oh sweet relief that you've always longed to have

Cause that's what you wanted,  
That's what you wanted  
All along  
That's what you wanted  
That's what you wanted  
All along

And though you wish I had  
Not fallen in love with you so fast  
But don't make it bad  
Don't turn it into something that I regret

Cause that's what you wanted  
That's what you wanted  
All along  
It's just what you wanted  
It's just what you wanted  
All along  
All along  
All along  
All along  
All?

It's just what you needed  
It's just what you needed  
All along  
To feel lost and defeated  
Lost and defeated

It's just what you needed  
It's just what you needed  
To feel lost and defeated  
Lost and defeated

Till you finally say goodbye
