

# Sleeper Awake

Sarah Blasko

Some of us don't know why  
We were born into this world  
Sometimes can't sleep at night  
Worrying about the world fearing it as it turns

Use your hands you know that they are worthy  
Use your hands you know you love to get them dirty

You've been lying on a bed  
Seeing no way  
Crying all the time  
Nearly dead  
Secrets are lies  
Lying in vain  
Sleeper awake  
Sleeper awake

Some of us don't know that  
We were born and sold a lie  
Sometimes can't speak, we try  
But our voice cannot be heard

Use your hands don't be afraid of standing up for something  
Use your hands I know you love to get them dirty

You've been lying on a bed  
Seeing no way  
Crying all the time  
Nearly dead  
Secrets are lies  
You're lying in vain  
Sleeper awake  
Sleeper awake

You've been lying on a bed  
Seeing no way  
Crying all the time  
Living dead  
Secrets are lies  
You're lying in vain  
Sleeper awake  
Sleeper awake

You've been lying on a bed  
Seeing no way  
Crying all the time  
Living dead  
Secrets are lies  
You're lying in vain  
Sleeper awake
