

# Amigos Para Siempre

Sarah Brightman

I don't have to say a word to you  
You seem to know whatever mood  
I'm going through  
Feels as though, I've known you forever

You, can look into my eyes  
And see the way I feel and how  
The world is treating me  
Maybe I have known you forever

Amigos para siempre  
Means you'll always be my friend  
Amics per sempre  
Means a love that cannot end  
Friends for life not just a summer or a spring  
Amigos para siempre

I feel you near me  
Even when we are apart  
Just knowing you are in this world  
Can warm my heart  
Friends for life not just a summer or a spring  
Amigos para siempre

We share memories, I won't forget  
And we'll share more, my friend,  
We haven't started yet  
Something happens when we're together

When I look at you, I wonder why  
There has to come  
A time when we must say goodbye  
I'm alive when we are together

Amigos para siempre  
Means you'll always be my friend  
Amics per sempre  
Means a love that cannot end  
Friends for life not just a summer or a spring
