

Angel

Sarah Brightman

I am your shadow
I am your rain
I am your longing
A little of your pain
I am your red
I am blue
I am your angel
I am in you

Angel
Angel

I am your madness
I am your tears
I am your sadness
And I am your fears
I am restless
I am your dreams
I am the moments
In between

Angel

Oh Angel
Ahh ahh Angel
Ahh ahh ahh oh angel
ooooh oh ooh Angel

oooohh angel
