

## Anything But Lonely

Sarah Brightman

Anything but lonely  
Anything but empty rooms  
There's so much in life to share  
What's the sense when no one else is there?

Anything but lonely  
Anything but only me  
Quiet years in too much space  
That's the thing that's hard to face and

You have a right to go  
But you should also know  
That I won't be alone for long  
Long days with nothing said  
Are not what lie ahead  
I'm sorry, but I'm not that strong

Anything but lonely  
Anything but passing time  
Lonely's what I'll never be  
While there's still some life in me and

I'm still young, don't forget  
It isn't over yet  
So many hearts for me to thrill  
If you're not here to say  
How good I look each day  
I'll have to find someone who will

Anything but lonely  
Anything but empty rooms  
There's so much in life to share  
What's the sense when no one else is there?  
What's the sense when no one else is there?
