

Bowling Green

Sarah Brightman

Way down in Bowling Green
Prettiest girls you've ever seen
A man in Kentucky sure is lucky
To love down in Bowling Green

Bowling Green folks treat you kind
They let you think your own mind
A man in Kentucky sure is lucky
In Bowling Green you walk your own line

Kentucky sunshine makes the heart unfold
It warms the body and I know it touches the soul
Blue Grass is fine, Kentucky owns my mind

And fields down in Bowling Green
Have the softest grass you've ever seen
A man in Kentucky sure is lucky
To lie down in Bowling Green

Bowling Green girls treat you right
They wear dresses, cut country tie
A man in Kentucky sure is lucky
If he's seen the Bowling Green light

Kentucky sunshine makes the heart unfold
It warms the body and I know it touches the soul
Blue grass is fine, Kentucky owns my mind

Way down in Bowling Green
Prettiest girls you've ever seen
A man in Kentucky sure is lucky
To love down in Bowling Green

Bowling Green, Bowling Green
Bowling Green, Bowling Green
Bowling Green, Bowling Green
