

Come You Not from Newcastle?

Sarah Brightman

Come you not from Newcastle?
Come you not there away?
O met you not my true love,
Riding on a bonny bay?
Why should not I love my love?
Why should not my love love me?
Why should not I speed after him,
Since love to all is free?

Come you not from Newcastle?
Come you not there away?
O met you not my true love,
Riding on a bonny bay?
Why should not I love my love?
Why should not my love love me?
Why should not I speed after him,
Since love to all is free?
