

## Deliver Me

Sarah Brightman

Deliver me, out of my sadness  
Deliver me, from all of the madness  
Deliver me, courage to guide me  
Deliver me, strength from inside me

All of my life I've been in hiding  
Wishing there was someone just like you  
Now that you're here, now that I've found you  
I know that you're the one to pull me through

Deliver me, loving and caring  
Deliver me, giving and sharing  
Deliver me, the cross that I'm bearing

All of my life I was in hiding  
Wishing there was someone just like you  
Now that you're here, now that I've found you  
I know that you're the one to pull me through

Deliver me  
Deliver me  
Oh deliver me

All of my life I was in hiding  
Wishing there was someone just like you  
Now that you're here, now that I've found you  
I know that you're the one to pull me through

Deliver me  
Oh deliver me  
Won't you deliver me
