## **Deliver Me**

## **Sarah Brightman**

Deliver me, out of my sadness Deliver me, from all of the madness Deliver me, courage to guide me Deliver me, strength from inside me

All of my life I've been in hiding Wishing there was someone just like you Now that you're here, now that I've found you I know that you're the one to pull me through

Deliver me, loving and caring Deliver me, giving and sharing Deliver me, the cross that I'm bearing

All of my life I was in hiding Wishing there was someone just like you Now that you're here, now that I've found you I know that you're the one to pull me through

Deliver me
Deliver me
Oh deliver me

All of my life I was in hiding Wishing there was someone just like you Now that you're here, now that I've found you I know that you're the one to pull me through

Deliver me
Oh deliver me
Won't you deliver me
