

# How Can Heaven Love Me

Sarah Brightman

Fell from the grace of heaven's prow  
Listening as the abyss calls our name  
Descending stars from golden clouds  
Falling to the rage of angels  
Bringer of light from on high  
Bound to the earth and unable to fly...

I don't know...How can heaven love me  
You don't know...How can heaven love you

We loved in a time before the fall  
Welcome to the arms of solitude  
Beneath us the heat that hearts exude  
Is this really heaven?  
We'd fight with the gods for our dreams  
Where paradise falls eternity screams

Die Welt ein Tor  
Zu tausend Wusten stumm und kalt  
Macht nirgends halt

Crystallised as starlight  
Lost in paradise
