## I Wish It Could Be Christmas Everyday

Sarah Brightman

When the snowman brings the snow Well, he just might like to know He's put a great big smile on somebody's face If you jump into your bed Quickly cover up your head Don't you lock the doors You know that sweet Santa Claus in on the way

Well, I wish it could be Christmas everyday When the kids start singing and the band begins to play Oh, I wish it could be Christmas everyday So let the bells ring out for Christmas

When you're skating in the park If the snow cloud makes it dark Then your rosy cheeks gonna light my merry way Now the frosty paws appear And they've frozen up my ear So we'll lie by the fire 'Til the sleet simply knocks them all away

Well, I wish it could be Christmas everyday When the kids start singing and the band begins to play Oh, I wish it could be Christmas everyday So let the bells ring out for Christmas

When the snowman brings the snow (snowman brings the snow) Well, he just might like to know (just might like to know) He's put a great big smile on somebody's face So if Santa brings that sleigh (Santa brings that sleigh) Along the Milky Way (along the Milky Way) I'll sign my name on the rooftop in the snow Then he may decide to stay

Well, I wish it could be Christmas everyday When the kids start singing and the band begins to play Oh, I wish it could be Christmas everyday So let the bells ring out for Christmas

Well, I wish it could be Christmas everyday When the kids start singing and the band begins to play Oh, I wish it could be Christmas everyday So let the bells ring out for Christmas

Why don't you give your love for Christmas? When the snowman brings the snow...
