## The War Is Over

## Sarah Brightman

My satues are falling Like feathers of snow Their voices are calling In a whispering world Waithing for the morning glow

Heaven is calling From a rainy shore Counting wounded lights falling Into their dreams Still searching for an open door

In morning dew A glorious scene came through Like war is over now I feel I'm coming home again Pure moments of thought In the meaning of love This war is over now I feel I'm coming home again

An arrow of freedom Is piercing my heart Breaking chains of emotion Give a moment to pray For lost innocence to find it's way

Fields of sensation A cry in the dark Hope is on the horizon With a reason to stay And living for a brand new day

In morning dew A glorious scene came through Like war is over now I feel I'm coming home again Pure moments of thought In the meaning of love This war is over now I feel I'm coming home again to you
